

Gabriele Giugni – Other Winner

Title of the artwork participating in the Terna Prize 01:

"Kumbh-mela night" [cod.2666]

Statement: "The artwork depicts an Indian field inundated with light... there is a sense of desolation in this immense valley that is nothing other than the bed of the Ganges River. The absence of people and the tree that overlooks the scene underline the link between nature and man, light and darkness. "
